DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this "**Agreement**"), is made and entered into this 11th day of August, 2016 (the "**Effective Date**"), by and between the City of Nampa, a municipal corporation, hereinafter referred to as the "**City**," and: Gavin + Zandra King, hereinafter referred to as "**Owner(s)/Developer(s)**."

RECITALS

A. Owner(s)/Developer(s) is the owner of approximately 1.58 acres of real property legally described in **Exhibit "A"** attached hereto and made a part hereof (the "**Property**").

B. Owner(s)/Developer(s) applied to City on or about April 17, 2016 (the "**date of application**") for annexation into the incorporated limits of the City, and, assignment of zoning to/for the Property to RML (Limited Multiple-Family Residential) in anticipation of developing the Property for a small apartment complex (hereinafter the "**Project**").

C. City, pursuant to Section 10-2-5, Nampa City Code, and Idaho Code Section 50-222, has the authority to annex the Property for the purpose of allowing, by agreement, a specific development to proceed in a specific area and for specific purposes and/or uses that are appropriate in the area.

D. City's Planning and Zoning Commission and City's City Council have held public hearings as prescribed by law with respect to the annexation, zoning district assignment and development of the Property and the terms of this Agreement. City has approved the requested annexation, zoning of the Property to RML and use of the Property for the above stated purpose subject to the terms and commitments contained in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the above recitals, which are incorporated below, and of the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. This Agreement shall not prevent City, in subsequent actions applicable to the Property, from applying new ordinances and regulations of general application adopted by City in the exercise of its police powers that do not conflict with the parties' commitments applicable to the Property as set forth herein, or the zoning designation approved hereby as the Property has been deemed suitable for the uses allowed within said zoning designation..

2. This Agreement is intended to be supplemental to all other local, city, state and federal Code requirements, rules and regulations, and is established to help assure the compatibility of the resulting land use with the surrounding area. Provided, however, that to the extent this

Agreement conflicts with any provision of the Nampa City Code, this Agreement shall prevail to the extent permitted by law.

3. The Project shall be developed in substantial conformance with the conceptual plans (i.e., site, landscape and building elevations) attached hereto as **Exhibit(s) "B (1-5)"** (aka the **"Conceptual Plan(s)"** and made a part hereof"; provided, however, that Owner(s)/Developer(s) shall have limited flexibility to develop the Property to meet market conditions within the bounds of the City's ordinances, and, the only specific commitments concerning development of the Project which Owner(s)/Developer(s) is making are set forth herein. Upon recordation of this Agreement, Owner(s)/Developer(s) shall have all entitlement approvals required from City for development of the Project in substantial conformance with the Conceptual Plan.

4. The provisions and stipulations of this Agreement shall be binding on City, Owner(s)/Developer(s), each subsequent owner of the Property or portion thereof, and each other person acquiring an interest in the Property and are, in no particular order, as set forth in the Condition(s) of Approval attached hereto as **Exhibit "C"**, and by this reference incorporated herein.

5. This Agreement may be modified only by the written agreement of Owner(s)/Developer(s) and the City after complying with the notice and hearing procedures required under Idaho Code Section 67-6511A or Nampa City Code Section 10-2-5(D) or successor provisions.

6. The execution of this Agreement and the written commitments contained herein shall be deemed written consent to change the zoning of the Property to its prior designation upon failure of Owner(s)/Developer(s) to comply with the terms and conditions of this Agreement. Provided, however, that no such consent shall be deemed to have been given unless City provides written notice of any such failure and Owner(s)/Developer(s) or its successors and/or assigns fails to cure such failure as set forth below.

7. This Agreement and the commitments contained herein shall be terminated, and the zoning designation reversed, upon the failure of Owner(s)/Developer(s), or each subsequent owner or each person acquiring an interest in the Property, to comply with the commitments contained herein within two (2) years after the Effective Date, and after the notice and hearing requirements of Idaho Code Section 67-6509 have been complied with by City. Exception: the failure to begin site development of all or a portion of a project proposed under this Agreement does not necessarily serve as impetus to allege that the commitments contained herein are not being fulfilled. Rather, commencement of site work and/or construction then left in abandon or failure to abide by the terms of this Agreement, as herein iterated, shall serve as impetus to consider termination of this Agreement and reversion of zoning. Provided, however, no such termination or reversal shall occur unless City provides written notice of Owner(s)/Developer(s) failure to comply with the terms and conditions of this Agreement to Owner(s)/Developer(s) and Owner(s)/Developer(s) fails to cure such failure within six (6) months of Owner(s)/Developer(s) receipt of such notice. The two (2) year period of time for compliance with commitments may be extended by City for good cause upon application for such extension by Owner(s)/Developer(s), and after complying with the notice and hearing provisions of Idaho Code Section 67-6509.

8. Except as specifically set forth in this Agreement, the rules, regulations and official policies governing permitted uses of land, density, design, improvements and construction standards and specifications applicable to the Project and the Property shall be those rules, regulations and official policies in effect as of the date of annexation. Provided, however, that the applicable building codes for structures shall be the codes in effect when a complete application for a building permit is filed. Development impact fees, if imposed by ordinance, shall be payable as specified in said ordinance even if the effective date is after the date of this agreement or the annexation pursuant thereto.

9. It is intended by the parties that this Agreement shall be recorded on the Effective Date or as soon as practicable thereafter. The parties further intend that the provisions of this Agreement shall run with the Property and shall be binding upon City, Owner(s)/Developer(s), each subsequent owner of the Property, and each other person or entity acquiring an interest in the Property.

10. If any term or provision of this Agreement, to any extent, shall be held invalid or unenforceable, the remaining terms and provisions herein shall not be effected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.

11. This Agreement sets forth all promises, inducements, agreements, conditions and understandings between Owner(s)/Developer(s) and City relative to the subject matter hereof. There are no promises, agreements, conditions or understandings, either oral or written, express or implied, between Owner(s)/Developer(s) and City, other than as are stated herein. Except as herein otherwise provided, no subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the parties hereto unless reduced to writing and signed by the parties or their successors-in-interests or their assigns, and pursuant, with respect to the City, to a duly adopted ordinance or resolution of the City.

12. Should any litigation be commenced between the parties hereto concerning this Agreement, the prevailing party shall be entitled, in addition to any other relief as may be granted, to court costs and reasonable attorneys' fees as determined by a court of competent jurisdiction.

13. This Agreement may be executed in counterparts, each of which shall constitute an original, all of which together shall constitute one and the same Agreement.

14. In the event Owner(s)/Developer(s), its successors, assigns or subsequent owners of the Property or any other person acquiring an interest in the Property, or in the event City, fail to faithfully and materially comply with all of the terms and conditions included in this Agreement, enforcement of this Agreement may be sought by either City or Owner(s)/Developer(s) or by any successor or successors in title or interest or by the assigns of the parties hereto, in an action at law or in equity in any court of competent jurisdiction.

- a. A waiver by City of any default by Owner(s)/Developer(s) of any one or more of the covenants or conditions hereof shall apply solely to the breach waived and shall not bar any other rights or remedies of City or apply to any subsequent

breach of any such or other covenants and conditions. A waiver by Owner(s)/Developer(s) of any default by City of any one or more of the covenants and conditions hereof shall apply solely to the breach waived and shall not bar any other rights of remedies of Owner(s)/Developer(s) or apply to any subsequent breach of any such or other covenants and conditions.

b. Notwithstanding anything to the contrary herein, in the event of a material default of this Agreement, the parties agree that City and Owner(s)/Developer(s) shall have thirty (30) days after delivery of notice of such default to correct the same prior to the non-defaulting party's seeking of any remedy provided for herein; provided, however, that in the case of any such default which cannot with diligence be cured within such thirty (30) day period and thereafter shall prosecute the curing of same with diligence and continuity, then the time within which such may be cured shall be extended for such period as may be necessary to complete the curing of the same with diligence and continuity, but in any event not to exceed six (6) months; and provided further, however, no default by a subsequent owner of a portion of the Property shall constitute a default by Owner(s)/Developer(s) for the portion of the Property still owned by Owner(s)/Developer(s).

c. In the event the performance of any obligation to be performed hereunder by either Owner(s)/Developer(s) or City is delayed for causes that are beyond the reasonable control of the party responsible for such performance, which shall include, without limitation, acts of civil disobedience, strikes or similar causes, the time for such performance shall be extended by the amount of time of such delay.

d. In addition to the remedies set forth above, in the event of a default by Owner(s)/Developer(s), or any other party claiming an interest herein, City may withhold building permits for any remaining lots within the development until such time as the default is cured.
